

Council Priorities: **Safe Transportation**

**COUNCIL
PRIORITIES**

- I. Incorporate technology / data-driven tools and tactics into engineering design and enforcement measures related to the safety of vehicles, pedestrians, and other transportation modes in order to enhance trail and street safety.**
- II. Continue to implement the traffic mitigation strategy and Active Transportation Plan and explore / advance an off-road Mulock multi-use path.**
- III. Continue efforts to build a strong network of community and subject matter experts (e.g. York Region, York Regional Police (YRP) in the implementation of initiatives (e.g. automated speed enforcement).**
- IV. Design and implement an effective communication strategy that provides expanded opportunity for community consultation and emphasizes education, awareness and safe, respectful shared use among all users of road and trail systems.**
- V. Develop a 'complete street' design and construction/reconstruction methodology to support ongoing safe street initiatives and continue to explore design options related to speed reduction, where appropriate.**
