Good afternoon;

Please find below a resolution requesting support for streamlining governing legislation for Physicians in Ontario.

Resolution No. COU-2022-346

Moved by Councillor Ron Anderson

Whereas attracting primary health care providers, including doctors, to Brighton and other small communities has been a difficult task;

And Whereas the Provincial Government announced a tuition program to attract nurses to underserved areas of Ontario;

Now be it resolved that the Municipality of Brighton Council requests that the Government of Ontario provide funding and change legislation to allow the College of Physicians & Surgeons of Ontario (CPSO) to implement the changes proposed in their letter to the Minister of Health on August 18, 2022. Which includes:

- Exempting IEP's from the regulatory requirement to have Canadian experience (re-do residency) where all other requirements are met; and
- Implementing Practice Ready Assessment programs similar to those already used in seven (7) other provinces.

And further that the Government of Ontario develop a similar tuition program to attract family doctors to underserved areas of Ontario;

And further that this motion is circulated to the Premier of Ontario, the Minister of Health, MPP David Piccini, and all municipalities across Ontario and the Association of the Municipalities of Ontario (AMO) for endorsement.

Ministry of Agriculture, Food and Rural Affairs

Guelph, ON N1G 4Y2

Dear Minister:

Re: Ontario Wildlife Damage Compensation Program

We are writing to you today on behalf of our municipality regarding the administration fees related to wildlife damage claims. This program is necessary to protect our farm producers from the devastating losses incurred when they lose livestock to predators.

At the June 28, 2022 Regular Council Meeting the attached Resolution was passed by Council.

Our Council's concern is the administration fee paid to municipalities to administer the program on the Ministry's behalf which was recently increased from \$30.00 per claim to \$50.00 per claim.

We have recently contracted for a new Livestock Investigator resulting in the following costs directly related to wildlife claims:

Hourly Rate: \$25.00/hour
Mileage Rate: .50/km

On the most recent invoice for this service there were three wildlife claims with costs as follows:

1. April 28, 2022 – 3 hours + mileage = \$95.00
2. May 5, 2022 – 2.5 hours + mileage = \$75.00
3. May 8, 2022 – 3.5 hours + mileage = \$120.00

There is also time spent by municipal staff in preparing the wildlife claims for submission and monitoring the claims for payment to the livestock owner.

This results in a loss on each wildlife claim for our taxpayers to bear to be able to provide this necessary service to our farm producers.

Ministry of Agriculture, Food and Rural Affairs
Page 2
July 4, 2022

We respectfully request that the Ministry consider increasing the administration fee on wildlife claims to help offset the increasing costs associated with Livestock Investigation.

We look forward to hearing from you about this matter at your earliest convenience.

Yours truly,

Rainbows for All Children Canada Inc. and several other children's mental health and bereavement groups throughout Canada will commemorate National Children's Grief Awareness Day on Thursday, November 17, 2022. We would greatly appreciate it if you could join us on this special day, as we show our support for children who are suffering through grief, loss, and/or separation.

Our goal is to spread awareness by illuminating buildings, landmarks, and structures all across Canada in **BLUE**, and we are asking for **YOUR** support by lighting up Riverwalk Commons and the Fred A. Lundy Bridge for the duration of the 17th, as well as posting it to your social media platforms.

The loss of a parental figure, family member, or friend, can result in a variety of mental and physical health compromising issues for a child, especially when they're not given an adequate opportunity to grieve and heal. These issues include, but are not limited to, loneliness, reckless behaviour, self-harm, substance abuse, depression and suicide. Children who are impacted also have a tendency to lose much of their self-confidence, drive, and ambition, and they begin to exhibit a rapidly deteriorating relationship with school, their classmates, and the many things that used to bring them joy. Rainbows For All Children is on a mission to break this vicious cycle by holding Children's Grief Awareness Day to show grieving children in Canada that they are loved, and that there are support systems available to them, whenever and wherever they need it.

Consider this:

- It is estimated that 1 in every 14 children will lose a parent or sibling before the age of 18.
- Over 203,000 Canadian youth under the age of 18 will lose someone in their extended family in a single year.
- Every year, roughly 1.2 million children in Canada experience the separation or divorce of their parents during their childhood.
- It is estimated that roughly 41,000 children, aged 0-17, are left behind every year, which is 112 newly bereaved children every day.
- Childhood trauma can make an individual 2.5 times more likely to develop chronic obstructive pulmonary disease or hepatitis, 4 times more likely to develop major depression, and 12 times more likely to develop suicidal tendencies.

Thursday, November 17, 2022 is a chance to let bereaved children know they are not forgotten or alone in their sorrow, loss, and/or mourning. As we join together to demonstrate our support for these children, we also ask that Canadians wear blue and that landmarks be lit up in blue.

This day is recognized by the public and business sectors at the federal, provincial, regional, and municipal levels, including official recognition and proclamations from the elected officials offices across the country. This support has allowed us to light up several renowned buildings and landmarks across Canada, including the CN Tower, Peace Bridge, Niagara Falls, Pedestrian Bridge, Sails of Light, BC place, Fitzsimmons Bridge and many more. This year, we are trying to reach new heights and we hope that we can also add Riverwalk Commons and the Fred A. Lundy Bridge to our list.

We hope to see your support by lighting up Riverwalk Commons and the Fred A. Lundy Bridge on National Children's Grief Awareness Day and we are looking forward to hearing from you.

Yours sincerely,
