TIPS TO LEARN TO CO-EXIST WITH COYOTES

- Do not approach or touch a coyote or turn your back or run from them.
- If approached by a coyote, pick up small children or pets. Back away while remaining calm, stand tall, wave your hands and make lots of noise.
- Educate your children to not approach or harass any wild animals.
- Always keep pets on a short leash (6ft. or less).
- Don't leave small pets unattended near forested areas, including your backyard.

If the coyote poses an immediate and serious threat, call 9-1-1. Report coyote interactions to Animal Services at 905-895-5193 and press 3 if calling after-hours.
