PUBLIC NOTICES

TAKE EXTRA CAUTION AROUND LAKES, STREAMS, RIVERS AND STORMWATER PONDS

Take caution around local bodies of water such as Fairy Lake, the Holland River and stormwater ponds. Use extreme caution and advise your children not to skate, fish, swim or toboggan in these areas.

Stormwater ponds may look safe but water flow and levels can fluctuate quickly without warning. Do not skate on stormwater ponds.

PREVENT ENCOUNTERS WITH COYOTES

During coyote mating season, coyotes can be more aggressive. Prevent encounters with coyotes by:

- Removing any food attractants, storing all garbage in sealed containers
- Using motion sensing lights around your home
- Picking up after your pet, and keeping them leashed at all times

If you encounter a coyote, stay calm and back away slowly.

Never run or turn your back on a coyote.
